

COVID-19 Emergency Operations Centre Update

January 24, 2022

Current Status

- Ottawa is reporting 329* new COVID-19 cases, 92 (+10 from Jan 20) in hospital and 13 (+3 from Jan 20) in ICU as of January 23, 2022.
- Ontario is reporting 4,790* new cases, 3,861 (-253 since Jan 21) in hospital and 615 (+25 Since Jan 21) in ICU as of January 24, 2022.

Re-Deployments to CSSD Tracking Well:

- OPH have provided an additional 16 names to CSSD for the role of screener in Long Term Care homes, bringing the total to 21 staff. This is in addition to the 14 OPH staff re-assigned to CSSD – Child Care Services for a similar role.
- RCFS have identified 28 staff who are available to support CSSD – LTC. They continue to work with HR on a solution to include part-time staff for this re-deployment effort. Facilities have also provided 2 additional employees to help with facility cleaning in LTC, to add to the 3 names previously submitted.

Rideau Customer Service Centre:

- Transportation Services Department are reporting that the Rideau Customer Service Centre has resumed normal operations. Due to staff absences last week, they had temporarily pivoted to an appointment-only model.

**PCR testing remains limited to a small number of eligible groups*

As of January 24, 2022 at 4:30am

Key Highlights

Vaccination Information:

- There were 1,270 walk-ins at City clinics from Friday, January 21 to Sunday, January 23.
- After-school clinics from Friday, January 21 to Sunday, January 23 saw 270 doses administered: 75 first doses for children aged 5 to 11 years old; 110 doses for second doses for children aged 5 to 11 years old; and 85 doses to adults.
- There is one after-school clinic today:
 - St. Marguerite d'Youville School, 89 Lorry Greenberg Drive (open from 3:30 pm to 7:30pm)
- Vaccine appointment bookings are higher this week with the start of second doses for children aged 5 to 11 years old. Clinics are sitting at 51% to 73% booked, except for the Francois Dupuis clinic that is currently only booked at 6% (noting this clinic was brought on to the provincial system later – January 14 – with appointments available starting on January 18, 2021).
- The Ottawa Birth and Wellness Centre special clinic for pregnant individuals, parents and children that was held January 21 to January 23 was a success and the special clinic will also host additional dates January 28 to 30.

Planned Truck Convoy Demonstration:

- Ottawa Police Service and other internal and external partners are planning for the truck convoy demonstration that is anticipated to arrive in Ottawa this weekend. The Traffic Incident Management Group (TIMG) will be mobilized, as well as the National Capital Regional Command Centre. The Ottawa Police Service is planning on an operational period from Friday to Sunday, 24hrs/day. A duty officer call will occur this Tuesday, January 25 to share situational awareness, monitor impacts to the City, and coordinate activities and communications.
